

## **Login and Simulcast Attendance Procedures**

1. Go to [www.pittautoauction.com](http://www.pittautoauction.com) from your web browser.
2. At the top right of the screen is the Auction Pipeline log-in box. If you have previously created an account skip to step 10, otherwise click Register Now.
3. Enter your Auction Access Rep ID number (starts with 100\*\*\*\*\*) and the last 4 #'s of your S.S.
4. The next screen will verify your identity.
5. The next screen will ask you to input personal information. At the very least you must enter a valid email address on this screen.
6. After submitting the information you will be directed to a log-in screen.
7. At this time check your email to retrieve the temporary password.
8. Enter your email address as the user name and enter the temporary password.
9. You will now be asked to create a new password.
10. After logging in you will be on the Pipeline home page. From this page you will see a weekly calendar. If our upcoming Tuesday sale date is not shown, click on the arrow next to the last date. This will load the upcoming week. On the Tuesday sale date click on "Pittsburgh, PA". You will see 2 or 3 tabs called Consignors, Lanes and Models. To view the inventory, click the Lane or Model tab. To log into a Simulcast sale choose the Lane tab then click on the Pipeline attend/register icon next to any Simulcast lane. When the following page loads scroll down to the Pittsburgh, PA events and check which lane you would like to attend. Proceed to the next screen and read and accept the terms and conditions. After accepting a bidder number is generated and a new window will open displaying the Simulcast video feed, run list and bidding options.

There are multiple ways to navigate through the pipeline site. Please familiarize yourself with the site and if you have any questions simply call us at **724-925-4700!**
